- 1) **Introduction:** The Internal Quality Assurance Cell (IQAC) organized an enlightening awareness session on “NAAC Binary Accreditation – New Reforms” via the NDLI Club platform on 10th December 2025 (Wednesday). The session was highly informative and contributed significantly to the professional development of the participants.
- 2) **Proceedings:**
  - a. The session was inaugurated with a detailed introductory address by Ms S Hemalatha, Vice Principal and IQAC Coordinator. She outlined the objectives of the session, emphasizing the importance of understanding the new reforms for maintaining and enhancing institutional quality standards.
  - b. Subsequently, Mr R Bala Bhaskar, Principal, delivered an extensive presentation on the recent reforms introduced in the NAAC Binary Accreditation process. His presentation covered the revised procedures, key attributes, performance metrics, and assessment parameters, providing participants with comprehensive insights into the new framework.
  - c. An interactive segment followed, allowing participants to clarify doubts and engage in meaningful discussions, thereby reinforcing their understanding of the subject matter.
- 3) **Outcomes:**
  - a. Enhanced Knowledge: Participants gained a clear understanding of the recent reforms in NAAC Binary Accreditation, including updated procedures and assessment criteria.
  - b. Institutional Preparedness: The session facilitated awareness about strategic planning and documentation required for effective accreditation, promoting institutional readiness.
  - c. Engaged Stakeholders: The interactive discussion fostered active participation, encouraging faculty and staff to stay informed and involved in quality assurance processes.
  - d. Strategic Alignment: The session underscored the importance of aligning institutional practices with NAAC’s revised framework to ensure smooth accreditation processes in the future.

- 4) **Positive Feedback:** The session received highly positive feedback from attendees. Participants appreciated the clarity and depth of the presentation, noting that it significantly enhanced their understanding of the new reforms. Many expressed that the interactive format encouraged active engagement and made complex topics more accessible. Several attendees highlighted the usefulness of the information in preparing for upcoming accreditation and emphasized the importance of such awareness programs for continuous institutional improvement.
- 5) **Conclusion:** The NAAC Binary Accreditation New Reforms mark a significant step towards promoting excellence and transparency in higher education. The introduction of the binary system supported by the “One Nation, One Data Platform” will streamline the accreditation process and encourage institutions to focus on continuous quality improvement. This progressive reform is poised to enhance the credibility and competitiveness of higher education institutions across the nation.
