## Event Report

Event: : Orientation Programme on SWAYAM-NPTEL Online learning platforms.  
Date & Time: : 23.12.2025 – 10:30 am-3:00 pm  
Venue: : KVRDCW  
Coordinator : Ms Arshiya Jabeen, Lecturer in Biotechnology

1) **Introduction:** The Orientation program on SWAYAM-NPTEL Online Learning Platforms organised by the KV Ranga Reddy Degree College for Women on 23rd December 2025 was held with the objective of introducing students and faculty to the vast array of online courses offered by the Government of India. The session aimed to create awareness about Swayam and NPTEL platforms, highlighting their mission, course offerings across various disciplines, and the importance of online learning, the functionalities, benefits, and effective utilization of these platforms to foster academic excellence and career development. The program also witnessed the participation of NDLI Club members from Veda Degree College, Hyderabad, fostering inter-institutional collaboration and enthusiasm for online learning.

2) **Proceedings:**

- a. **Inaugural Session:** The event commenced with inaugural speeches by Mr. R Bala Bhaskar, Principal, and Ms S Hemalatha, Vice Principal, emphasizing the role of MOOCs and online certifications in enhancing academic excellence, skill development, and employability.
- b. **Awareness Session:** Ms Arshiya Jabeen, Lecturer in Biotechnology and SPOC of SWAYAM NPTEL provided in-depth overview of SWAYAM NPTEL platforms, highlighting the wide range of courses available across various disciplines.

c. **Demonstration:**

**Overview of Swayam NPTEL:**

A comprehensive introduction to MOOCs (Massive Open Online Courses), specifically SWAYAM and NPTEL, was provided. The session covered the objectives of these platforms, their role in democratizing education, and how students can leverage these resources for academic and professional growth.

- ❖ Information about the Local chapter associated with these online platforms was shared, encouraging active participation and engagement with local support systems.

**Guidelines and Navigation:**

- ❖ The importance of online courses in supplementing traditional education and improving employability was discussed.

*L. U. 02/01/26*

- ❖ The timelines for enrollment and certification was also provided emphasizing the importance of adhering to deadlines to maximize benefits.
  - ❖ Step-by-step instructions were provided on how to register, enroll in courses, and obtain certifications.
  - ❖ A stepwise enrollment procedure was outlined to guide students through the registration process efficiently, ensuring a smooth experience from registration to course completion.
  - ❖ Students were shown how to navigate the platforms effectively to maximize their learning experience.
  - ❖ Motivated students to enroll, highlighted the numerous benefits of registration, including access to free courses, certification opportunities, and exposure to industry-relevant content.
  - ❖ Finally, the advantages of registration, including gaining valuable knowledge, earning certificates, enhancing resumes, and increasing employability prospects, were clearly articulated to motivate students to take active steps towards enrollment.
- d. Interactive Session: The session saw active participation from both students and faculty members, with many engaging in discussions and seeking clarifications.
- 3) **Outcomes:**
- a. Increased Awareness: Students demonstrated a clear understanding of the significance of online courses and the role of digital platforms like SWAYAM and NPTEL in modern education.
  - b. Knowledge of Resources: Participants gained comprehensive knowledge about prominent online platforms, their objectives, and the variety of courses available across disciplines.
  - c. Motivation to Enroll: Students expressed motivation to register on these platforms, recognizing the benefits of free access, certification, and industry-relevant content for personal and professional development.
  - d. Action Plan Development: Students are now equipped with a step-by-step understanding of the enrollment process, enabling them to register confidently and efficiently.
  - e. Engagement and Participation: Increased interest in local chapter activities and support systems, fostering a culture of active engagement with online learning initiatives.
- 4) **Positive Feedback**: The feedback received was overwhelmingly positive, with students and faculty expressed enthusiasm to utilize the platforms for their academic and professional growth.
- 5) **Conclusion**: The Orientation Program successfully achieved its objectives of raising awareness and building capacity among students to leverage SWAYAM and NPTEL platforms.

The participants have gained a thorough understanding of the platforms, including course selection, enrollment, and certification processes. They recognized the benefits of online learning for skill development, academic growth, and career advancement.

Participants are motivated to use these platforms for continuous learning, actively participate in courses, and leverage resources for personal and professional development. They are also
